About Justice in Aging

Justice in Aging is a national organization that uses the power of law to fight senior poverty by securing access to affordable health care, economic security, and the courts for older adults with limited resources.

Since 1972 we've focused our efforts primarily on fighting for people who have been marginalized and excluded from justice, such as women, people of color, LGBT individuals, and people with limited English proficiency.

About Community Legal Services

- Scenario 1: Michael Smith (Appeal)
- Scenario 2: Jane Williams (Waiver)

Overpayments Overview

SSI Overpayments

- What is an overpayment?
- SSA usually withholds funds from current benefits to repay
 - up to 10% of monthly SSI benefits (\$77 in 2019)

Why Do SSI Recipients End Up with Overpayments?

- Over resource limit
- Over income limit/fluctuating income
- In-kind support and maintenance
- Outside U.S. for more than 30 days
- Institutionalized for more than 30 days (nursing home, prison)

Overpayment Options

- Appeal the overpayment
- Request a waiver
- Negotiate a lower repayment amount

Scenario 1: Michael Smith – Overpayment Appeal

Michael Smith

- 60 years old, receiving SSI for 12 years
- Feb 6, 2019 Notice of Overpayment
 - Overpaid \$45,689
 - Over the resource limit because he owns “non-home real property”

- A. Appeal the overpayment
- B. Request a waiver
- C. Both
- D. Neither

- Separate from merits of overpayment –
 - Not making a statement on the correctness of the overpayment.
- Asking that overpayment be forgiven.
- File at any time (no deadline).
- New overpayment waiver form.
 - Much more detail oriented.
 - Section 12F specifies SSI/TANF/VA options – no longer “public assistance” option (GA/GR)
 - More confusing for clients?
